

## ***Passionate about Education!!!***

### *Who we are:*

We offer a holistic education programme, focused on providing children aged 6-13 with foundational literacy skills to thrive in the future.

### *How it all began*

Manonopa is an Academy serving a low-income, peri-urban area around Windmill Park to the South East of Johannesburg. Manonopa opened in 2014 and has been successfully serving the community for seven years.

Manonopa Academy came about as a result of the deep desire to disrupt what had been entrenched as a status quo for a black child from a low income home living in a township where the best source of education is found outside of the child's community and comes at a premium relative to what is affordable to his family.

**The Academy aims to provide the greatest quality of education at an affordable price within the community that the child resides.**

### *Our Curriculum*

In conjunction with **CAPS Curriculum**, the Academy currently uses a blend of **Jolly phonics** and **Montessori philosophies and principles to build the children's phonics and grammar development**. Jolly phonics are learning materials sourced from the United Kingdom.

## STRUCTURE

The institution has spent much time over the last few months evaluating our income and expenditure so that an accurate and reasonable budget is available for 2024. A number of important issues have been considered while drawing up the budget. We are not subsidised in any way by the Education department so the institution has to make sure that all our financial commitments are fully covered by the income generated from institution fees.

We acknowledge the sacrifice made by our Manonopa families to have their children educated at our institution especially in the present economic climate. The institution believes that our 2024 fee structure has taken these factors into account and is summarised as follows:

<i>Category</i>	<i>Annual</i>	<i>Per term</i>	<i>12 months</i>
<i>Grade 1-3</i>	<i>R 21 600</i>	<i>R 7200</i>	<i>R 1800</i>
<i>Grade 4-7</i>	<i>R 21 600</i>	<i>R 7200</i>	<i>R 1800</i>

**Note: for parents who do not pay fees on time as per the agreed date and no arrangements have been made, 5% interest will be added on the account. If your child should leave the institution, 2 months' notice must be given otherwise two months school fees will be levied**
